Somerford 2035

Planning for our future

Newsletter - Number 4 – June 2015

From Somerford Neighbourhood Plan Steering Group

Thank you to everyone who replied to our survey. The response was hugely encouraging. We have analysed all the data and comments and from this we have compiled draft 'Visions and Objectives' which will form the basis of our Neighbourhood Plan.

We would like to invite you to:

**Neighbourhood Plan Consultation Event**

## **Afternoon Tea**

**on Saturday, 20th of June 2015 1p.m. - 4p.m.**

**at Davenport Chapel, Holmes Chapel Road, Brereton, CW12 4SS**

The Steering Group would be very pleased if you could drop in and enjoy a drink and some cake. You will also be able to read and comment on the draft 'Visions and Objectives' which were formulated from the recent Survey. This will enable us to fine tune these draft 'Visions and Objectives'.

**NEWS:** We have been successful in obtaining just under £7000 funding from Groundwork to assist us with the preparation of our Plan and additional funding is available to us as we progress.

This is another step closer to completing the neighbourhood plan.

*This truly is OUR PLAN – take part to make a difference*

Kind Regards

*Sandy Kenyon*
