For the attention of the owner/occupier

Dear Neighbour,

Congleton Link Road – Notification of Chelford Road closures

As the Principal Contractor working with Cheshire East Council on the Congleton Link Road project, we would like to inform you that we will be imposing closures of Chelford Road between the Black Firs Lane and Back Lane junctions.

IMPORTANT INFORMATION ABOUT ROAD CLOSURES

The road closures will enable the realignment of the existing carriageway across the new overbridge and the diversion of essential utilities.

The initial closure will take place from **Monday 18 January** until **Friday 22 January** followed by further intermittent closures from **Friday 22 January** until **26 February**. Please note the works are subject to weather conditions and any changes in Government COVID-19 restrictions.

We are aware of the effect traffic disruption has on our neighbours and the local community and will only be imposing the closures for as long is necessary. A signed diversion route will be in place for the duration of the closures.

COVID-19 Safe working practice

Throughout this Covid-19 pandemic, we have taken practical steps, and implemented robust measures, to ensure the welfare of our employees, sub-contractors, partners and the public.

In line with government, public health, and industry guidance, we have reviewed the working operations across our sites including the Congleton Link Road project. Our sites are rigorously adhering to social distancing regulations, and daily briefings are being conducted to highlight and reinforce, safe working procedures.

Keep in touch

If you would like more information on the Congleton Link Road Project:
